## SUMMER CAMP

For 105 years, Camp Manito-wish YMCA Summer Camp has combined our unique Northwoods setting, intentional programming and wilderness tripping to develop future leaders and build their character. With each Manito-wish experience, confidence grows and the lessons learned are carried with campers into their future roles as leaders in the larger world. Here, discoveries are always as close as the next bend in the trail – and often, they're what campers discover about themselves.
