# Keeping TRADITION Alive

"The spirit and values of the camp are infectious. Even though this was his first year, he felt very close to the traditions and spirit of the camp."  
*Rachael, Mom of Camper*

*In everything we do,  
we help kids discover  
who they are and what  
they can achieve.*

## Choosing **YOUR** Path

"Both my boys love Takodah. It's a safe place where they have the opportunity to choose their classes and spread their wings. Kids need those opportunities — it helps them gain confidence in themselves!"

*Maria, Mom of Campers*

### Best Overnight Camp

Celebrating its 100th Anniversary in 2016, Takodah continues to be recognized as New Hampshire's finest overnight camp, set apart by top-notch staff, timeless traditions, a "friendly to all" way of life, single-gender programs, quality activities, and YMCA character development.

### ASHER'S "DAY IN THE LIFE" AT TAKODAH

#### 7:30 Breakfast

My favorite is pancakes, bacon, and eggs.

#### 8:30 Kapers

We tidy up and get ready for a wicked fun day at camp.

#### 9:00 Skill Classes

This week, I chose archery, pottery, and swimming.

#### 12:30 Lunch

Chicken patties, fries, and the salad bar never disappoint!

#### 1:30 Siesta

It's a great time to rest up, read, and write a letter home.

#### 2:30 Camper Choice

The best part of the day! I always head to the lake.

#### 4:00 Cabin Activity Time

Today, my cabin is taking a huge canoe across the lake.

#### 5:30 Dinner

With singing and dancing, meals are always a party.

#### 6:30 Camper Choice

Two words: Gaga Ball! Best. Game. Ever. Seriously!

#### 7:00 Evening Program

I've been training all year for this epic Capture the Flag!

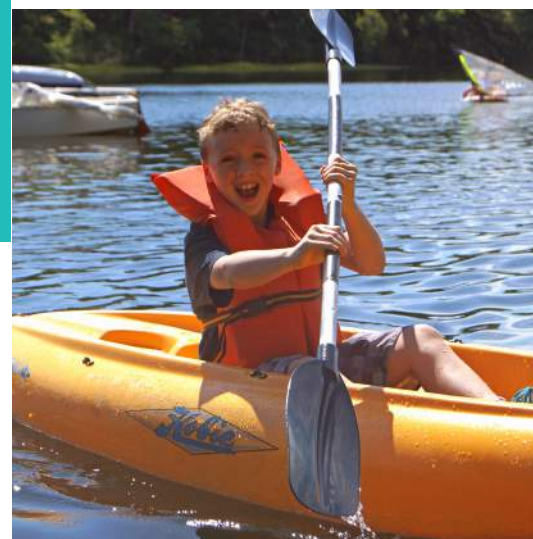

#### 8:45 Cabin Time

Time to grab a quick shower and brush my teeth.

#### 9:00 Reflections

Chatting about today and making plans for tomorrow.

#### 9:30 Good Night

### Safety is Our Top Priority

That's why Takodah is accredited by the American Camp Association, State of NH, and YMCA of the USA. All of our staff are meticulously interviewed, reference/background checked, and trained before meeting your child.

Your  
**HOME**  
away from Home

Takodah is a safe, nurturing, supportive environment that encourages exploration and imagination. Our children make memories and friendships, while learning independence and fostering self-esteem.
