2025 Camps
24th-31st May & 6th July-2nd August

Introduction

Is your child a junior golfer looking to develop their game?

Are you searching for a way to keep them entertained with the sport they love this summer?

Then it's time to sign them up to the RV Golf School's.

Our residential camps offer children aged 10 to 17 the chance to learn from expert golf coaches, while also making friends and creating memories to last a lifetime. As your child enjoys the game, their ability level doesn't matter. We run one to 4 week camps that cater to all abilities, as well as camps for young adults. Every participant receives a full swing analysis and putting analysis to help hone their individual skills.

At our Ultimate Camp for children aged 10 to 17, your child will benefit from 5 rounds of golf every week, 12 hours of coaching in groups no bigger than 8, and fun daily camp competitions and awards.

For those who've already got the swing of things, our High Performance Camp for children aged 14 to 17 with a handicap of 14 less, additionally provides one-to-one coaching and entry to junior tournaments, so your child can get the full tour player experience.

For budding professional golfers, our Camp Internship for young adults aged 18 to 21 with a handicap of 10 or less, combines intensive skill development with the chance to shadow and assist PGA professionals delivering coaching sessions.

The man behind these incredible golf camp experiences is our Founder and PGA Fellow Professional, Rick Valentine, who holds a Masters in Sports Coaching, UKCC Level 4 certificates for golf and and has been at the forefront of school's golf in the UK since 2003. Having competed in golfing competitions around the world, Rick has a genuine love for the sport and has worked with over 1500 junior golfers for over 20 years.

To empower your child to achieve their golfing goals, to give them the chance to meet fellow junior golfers from around the world, while staying in excellent accommodation and being supported by experienced pastoral caregivers, there is only one choice.

Get in touch with the RV Golf School's today and give your child a fantastic summer of golf.
